

1.

HOMEWORK FREE

All the children will be excused homework for special events and occasions, e.g. Bishop's Visitetc., and when other exceptional situations arise. Major school and parish sporting victories will be considered when the cup/shield is brought into the school. The teachers will make a decision on the issue and, if the majority agree, pick a suitable night.

Individual teachers may excuse their own class from homework at their own discretion but should inform the principal.
