

Third Class

Programme of Work 30th March - 3rd April.

Dear Parents and Children,

Hope everyone is keeping safe and well. Below you will find a list of work and tasks for your child to be working on for the week. Encourage your child to spend time every day doing his/her work. This way it doesn't mount up and become a huge task. Please refer to the resources section on the school website for details on how to gain access to the various websites mentioned.

Children: Remember to try your best on the tasks and to present all your written work neatly. I hope you are also able to find time to help at home and that you are doing jobs around the house. Of course having fun and staying active are also important so try to get plenty of physical exercise, while maintaining social distance. Keep up your good work and hopefully we'll all be back at school before long. Looking forward to seeing you all.

Le meas,

Ms McCarthy

Gaeilge

Abair Liom. Unit 15: Cén sort aimsire atá ann inniu? Complete pages 122 to 129.

Children can explore the poster, story, vocabulary game, comhrá, listening activity and poem associated with this chapter via www.folensonline.ie
