For this project, I used the following recipe:</p> <p>1 cup flour 1/2 cup salt 1/2 cup water</p> <p>Stir together all three ingredients until a dough forms. Kneading the dough a couple times can help make it smoother.</p> <p>Roll it out (I rolled mine to 1/4 inch thick) and cut out desired shapes. Place the salt dough Easter eggs on the parchment-covered baking sheets. Remember to make a hole so you can hang the ornaments — a straw works perfectly! Bake at 250F for 2 hours.</p> <p>Paint and decorate☺</p>
