History

History Project: Time Capsule

- It's hard to deny that we are living at a very unique time in history, and one that your kids will probably reference throughout their lives. I suggest that you help them create a time capsule to remember what was going on at this point in time.
- See saw for more details.

Music

Dabbledoo Music have given free access to some areas of their website.

- Go to <https://dabbledoomusic.com/p/parents> to find some free courses.
- Once there go to "Artist Profiles" and find Bob Marley.
- You'll find a brief background on him and two of his songs and an activity.

I'll also link this on seesaw.
