

Hello everyone,

Welcome back from your Easter holidays. I know you have never had a holiday like it before and are not likely to forget it. I hope you enjoyed the fine weather we had and are trying to keep things as normal as possible. I'm missing you all and looking forward to the day we get back to school, we'll have a lot of news to catch up on! I know Miss O' Brien kept you all busy before the holidays so we'll try to continue to keep things going as best we can as we start a new term.

Below, is a list of work for each day this week. This is the only list of work you will have. Try your best to complete as much of it as you can, but don't feel under pressure to complete all of it. I will post an art activity on Friday. Any extra activities, will be posted on Seesaw and are totally optional, maybe for when you're finished early or want a distraction. All of the links you will need are included, and if you have any questions you can ask me on Seesaw.

Take care everyone,

Mrs. Kelly.
