## Religion

- May is a special month dedicated to Our Lady. Make a May altar at home. Draw and colour a picture of Mary, Jesus' mother, and hang it up, place a candle near it, add some flowers, rosary beads, statues or any other items you like to your special place. Come and sit by your altar each day for the month of May and say the prayer Hail Mary. Dedicate your prayer to someone everyday e.g. family, your friends, frontline workers etc.

## S.E.S.E. (History, Geography and Science)

- What are the signs of summer?
- What flowers do we see in the summer?
- What work does the farmer do in the summer?
- What clothes do we like to wear when the weather is hot?
- How can we keep ourselves cool in the hot sun?
- We need to be very careful when we are playing outside when the sun is out. What should we do to stay safe? How do I protect my skin?
- What does the sun do to butter/ice-cream/ice?
- Go on a nature walk and make a list of all the sounds you hear. Birds? Animals? Traffic? Wind? Leaves on trees? Someone cutting grass?
