

Hi there,

Since it is your last full week in Primary school we are going to change things up a little bit!!

This week I would like you to concentrate on a few activities that we have planned for our outdoor 'social distance' graduation.

I would like everyone to write a piece on their time spent in Gneeveguilla National School. Ideas include your happiest school memory, funniest school memory or best trip and why? Also I would like you to add a few lines about what you want to be when you grow up (career wise) or where you would like to be in 10 years' time, for example working, travelling etc.

I would like you to type out this piece of writing and you can email it to Ms. Shanahan. This task is not optional, everyone must have at least 10 lines but no more than 2 pages. I will be displaying this writing on the day of the Graduation so please try your best and think about what you would like to say before you begin typing! Someone at home might give you a helping hand or you can send me your work on Seesaw and I will help you.

I have also included a Voting Sheet that I would like you to fill out. Your parents can Whats App a photo of your answers to me if they wish or you can post the photo to me on Seesaw.

I also need 2 Volunteers to read a poem on the day. If you would like to read one just send me a message.

Happy Writing!

Ms. Reidy
