

Hello everyone,

I hope you're all well this week and you enjoyed your weekend. Below, is a list of work for each day this week. Try your best with it. We have finished a lot of our workbooks at this point so we will make a huge effort to try and get everything else completed before the end of June.

This week we are going to do a fun active schools kilometre challenge. I'm asking you to walk or jog at least 5km this week, you can either do it in 1 long walk or 1km per day-you can break it up anyway you like but just contact me on Seesaw on Friday and let me know how many kilometres you completed! I will also be setting you some quick exercise challenges for each day. I will upload them each morning to Seesaw!

Take care everyone, I'm on Seesaw if you need help with anything.

Ms. O'Brien
