

IMPORTANT NOTICE

Dear Parents,

We plan on collecting the book rental books on **Monday, June 29th 2p.m.-4p.m.** in the school. There will be a desk at the door front door to facilitate this and social distancing is being strictly observed. Only one person is allowed on the premises at any given time. We are extending the book rental scheme this year to include Busy at Maths 5 (5th class) and Busy at Maths 6 (6th class). We also intend extending the English readers from **Junior Infants to Second Class**. If you have the Starlight core readers for Junior to Second Class and you wish to sell them on please bring them along and we will purchase them from you. Due to Covid-19 restrictions we are unable to handle cash. If you are selling your books to the school please have your name, IBAN and BIC numbers written clearly on a sheet of paper with the amount of money that we owe you. You can calculate the amount yourself as it is written next to the books we intend on buying. You are under no obligation to sell the books it is voluntary as you may want to keep them for a younger sibling. If you have any queries please do not hesitate to contact me on gnsgerardine@gmail.com prior to Monday.

We are asking for the following books to be returned/sold to the school:

Junior Infants
